# PRESTIGIOUS BATTLE

DAVID WARNER, THE FORMER OPENING BATSMAN FOR AUSTRALIA, STOLE THE LIMELIGHT AT ROYAL RANTHAMBORE BT GOLF'S BENGALURU EDITION AT THE SPECTACULAR PRESTIGE GOLFSHIRE COURSE

BY RAHUL BANERJI

**A**FTER TAKING RETIREMENT from hitting bowlers around the park, former Australian opening batsman David Warner has found a new calling, sending the golf ball flying. He did it with great panache at the *Business Today* Golf Bengaluru edition of Royal Ranthambore at the Prestige Golfshire Club on March 22. Warner walked away with the honours in the 0 to 14 handicap category of the tournament's silver jubilee edition, which had several triers and aspirants in the field. The Golfshire course showed its best face to a packed field at the season's penultimate leg. The tech, business and administrative elite of the city played their best, resulting in plenty of quality golf and close competition.
