MINTING SUCCESS

- 01 **Diversified revenue streams by expanding in emerging markets and deepening presence in high-margin specialty drugs in dermatology, ophthalmology, and onco-dermatology**
- 02 **Is advancing its R&D pipeline with six new active substances at various stages of clinical trials**
- 03 **Expanded field sales force to increase reach in Tier-II and Tier-III towns**
- 04 **Focused on complex generics and high-entry-barrier segments to address pricing challenges in the US generics market**
