

Dr. Ajay Bakshi

With over three decades of experience in organizational leadership development, Dr. Ajay Bakshi has established himself as a premier executive coach and business transformation expert in India. As Managing Director of Metamorphosis Unlimited, a Pune-based strategic business and HR advisory firm, Dr. Bakshi guides organizations toward sustainable growth and operational excellence through innovative people strategies and leadership interventions.

ACADEMIC AND PROFESSIONAL FOUNDATION

Dr. Bakshi holds a Bachelor's degree in Mechanical Engineering from MIT Manipal, an MBA from Pune University, and a PhD in Human Resources & Change Management. His impressive career spans significant roles as Chief Human Resources Officer, Board Director, and Business Leader across multinational corporations and Indian enterprises. This extensive

Dr. Ajay Bakshi: Transforming Leadership for Organizational Excellence

Dr. Ajay Bakshi, a seasoned executive coach and transformation expert, empowers business leaders to drive organizational excellence through strategic leadership development and cultural transformation.

experience has firmly established his reputation as a senior HR thought leader and catalyst for organizational transformation in the region.

TRANSFORMATIVE APPROACH TO ORGANIZATIONAL EXCELLENCE

At Metamorphosis Unlimited, Dr. Bakshi offers comprehensive services aimed at enhancing organizational performance across multiple dimensions:

Executive Coaching: Customized programs for CEOs, CXOs, and emerging leaders focusing on leadership development, strategic alignment, and executive presence

Leadership Training: Structured initiatives to develop high-performing teams and foster a culture of accountability and innovation

Top Talent Management: Strategic approaches for identifying, nurturing, and retaining exceptional talent while ensuring robust succession planning

Cultural Transformation: Specialized programs designed to reshape organizational culture for greater agility, inclusivity, and sustained growth

The firm serves a diverse clientele including UBS Credit Suisse, Standard Chartered Bank, HSBC, Coca-Cola, Hindustan Unilever, Mastercard, Tata Motors, Mahindra Ltd., KPMG, Volkswagen IT Services, and Indian Oil Corporation, demonstrating its versatility and broad industry expertise.

DISTINCTIVE COACHING METHODOLOGY

Dr. Bakshi employs a meticulous two-step approach in his coaching practice:

Identifying leadership potential through comprehensive evaluation

methods including psychometric assessments and competency-based interviews

Recruiting high-performing leaders using a detailed assessment model that integrates psychometrics, interviews, and culture-fit simulations

His methodology leverages the GROW model and established coaching frameworks to develop crucial skills like strategic thinking, navigating change, building executive presence, and communicating with impact.

RECOGNITION AND THOUGHT LEADERSHIP

Dr. Bakshi's contributions have earned significant recognition, including:

- 2025 Iconic Vibrant Leaders by Fortune India
- 2024 Business Transformation Leader of the Year – Atal Achievement Awards
- 2024 Rashtriya Padma Bhushan Samman from Human Rights Commission India
- 2024 Exemplary Business Coach of the Year (Dubai)
- Honorary Doctorate endorsed by Ministry of Corporate Affairs

As an accomplished author, his book "Build to Outperform" provides valuable insights for managers on creating high-performing teams, while his second book explores building leadership skills through martial arts principles.

Under Dr. Bakshi's visionary leadership, Metamorphosis Unlimited continues to drive organizational excellence by aligning people strategies with business objectives, serving as a trusted partner for organizations navigating today's complex business landscape.
