

Madhya Pradesh Shines on the Global Stage at GIS 2025

Shri Narendra Modi
Prime Minister

"The Global Investors Summit in Madhya Pradesh is a commendable initiative; it serves as a vital platform to showcase the state's immense potential in industry, innovation and infrastructure".

Dr. Mohan Yadav
Chief Minister- Madhya Pradesh

"The Global Investors Summit will take Madhya Pradesh to new levels of development. It is going to be historic... We will get a lot of investments, opening new ways to employment for our youth."

Madhya Pradesh: A Rising Industrial Powerhouse

Madhya Pradesh, often referred to as the heart of India due to its strategic central location, is rapidly emerging as a hub for industrial growth and investment. The state, with a population of approximately **8.46 crore** (84.6 million), offers seamless connectivity to key business centers and has emerged as an attractive destination for both domestic and international investments.

The state's economy has shown remarkable resilience over the past few years, with its Gross State Domestic Product (GSDP) growing at a compound annual growth rate (CAGR) of **12.49%**. In 2023-24, the GSDP reached **₹13.63 lakh crore**, growing at **6%**, and is projected to rise to **₹15.22 lakh crore** by 2024-25. The manufacturing sector, which has been one of the main drivers of growth, recorded a solid **7.4%**
