

growth in 2023-24.

With a focus on industrial expansion, the **Industrial Promotion Policy 2025** has been designed to attract investments across various sectors, including emerging industries like renewable energy, electric vehicles (EVs), and biotechnology. Aligned with the national vision of “**Viksit Bharat – Viksit Madhya Pradesh**”, the policy aims to foster innovation, sustainable growth, and job creation. This policy marks Madhya Pradesh’s commitment to become a global industrial powerhouse by the end of the decade.

Global Investors Summit (GIS) 2025: A Game-Changer for Madhya Pradesh

A landmark event that showcased the state's industrial ambitions was the **Global Investors Summit (GIS) 2025**, held on **February 24-25, 2025** in Bhopal. The summit, inaugurated by **Prime Minister Narendra Modi**, saw overwhelming participation, attracting more than **25,000 registrations** and over **100 foreign delegates** from 60+ countries. The event demonstrated Madhya Pradesh’s growing appeal to global investors, with representatives from prominent international companies like **Reliance Industries, Adani Group, and Tata Group** among the attendees.

Key Highlights of GIS 2025:

- **25,000+ registrations** and **100+ foreign delegates** from **60+ countries**.
- **9 partner nations:** Canada, Germany, Italy, Japan,

Turkey, Poland, Russia, Rwanda, UK.

- **Investment proposals** worth **₹22.5 lakh crore** and **13.43 lakh jobs** projected.
- **70+ one-on-one meetings** with major corporations.
- Introduction of an **AI-powered business matchmaking tool** for strategic networking.
- **600+ Business-to-Government (B2G) meetings** and **5,000+ Business-to-Business (B2B) meetings**.
- **Sector-focused sessions** on renewable energy, food processing, medical devices, textiles, logistics, green hydrogen, and more.

This summit further solidified Madhya Pradesh’s reputation as a state that is **ready for business** and fully committed to fostering industrial growth.

“Madhya Pradesh will definitely become a major industrial state. The confidence of investors in investing in Madhya Pradesh has increased. Stable and strong government, transparent administration, useful policies, supportive social environment are the bases for economic progress, which are present in Madhya Pradesh”.

Shri Amit Shah
Union Home Minister
