AIR INDIA

HITS

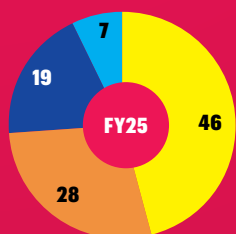

- Leader in US/Canada and Europe markets
- Premium business and Star Alliance
- Slots at major global hubs like Heathrow/JFK Kennedy
- Star Alliance partnership provides access to lounges of other partners
- Ramping up capacity to increase frequency on international routes

MISSES

- Delay in aircraft delivery impacting expansion
- Does not have a vast network in the regional international market
- Issues with upkeep of old aircraft and amenities
- Higher ticket pricing on long haul even compared to middle-east carriers
