

Amit Majithia: From teenage entrepreneur to multi-millionaire Business leader

Amit Majithia's entrepreneurial journey began at The Age Of 13 with a modest video game parlour in small-town Adipur, Gujarat. Today, he stands as a prominent figure in Dubai's business landscape, overseeing a diverse portfolio that includes Event management, music production, Entertainment, and digital Media.

As a founder of BCC Events Dubai, Majithia organises large-scale events featuring Bollywood celebrities and renowned singers. His ability to execute world-class experiences has made his events a staple in the Dubai entertainment calendar.

CBTF Tourism pioneered exotic holidays in the Middle East, Central Asia, Africa, and Europe by providing elite clientele with diverse and seamless traveling solutions by seasoned professionals.

His foray into the music industry with BCC Music Factory (Made Over 40 Songs In 3 Years) has been marked by the production of popular tracks that resonate among YouTube audiences. With a few nightclubs in Dubai, Majithia also owns an Indian restaurant and Sheesha Lounge, which reflect his astute business acumen.

Just like a typical Indian, being a passionate cricketer, he creates cbtfspeednews.com, a platform offering real-time match updates and analytical insights. His website is the first platform providing predictions for international and league matches, attracting more than 100 million visitors in the last 10 years. With the increasing popularity of Fantasy cricket, many fantasy enthusiasts follow Amit Majithia on various social media platforms. Such sports enthusiasts use various sports product offerings by Amit Majithia to dive into the sports world, get better insight into data and stats, and get his expert opinion to enhance their winning chances. He is being

followed and admired by more than 25 million subscribers on Instagram (@amit_majithia) and has a higher engagement rate than many known celebrities. His recent podcast went viral among cricket lovers, showing his multi-faceted acumen.

When asked about his expertise and popularity as a cricket analyst, the most popular AI tools, ChatGPT and Deepseek, vindicate him as the world's Most Followed Cricket analyst.

Amit's visionary project, CBTFmytube.com, is among the first homegrown video-sharing platforms. With more freedom than YouTube, it

offers users a more vibrant option to entertain themselves, and guides them in the Stock Market And Fantasy Cricket.

Beyond his business ventures, Majithia is committed to philanthropy through the CBTF Foundation, which supports education, healthcare, and livelihood programs in India.

Majithia's journey reflects a blend of ambition, cultural intelligence, and perseverance. From grassroots hustle to high-end global enterprises, he embodies the spirit of a modern Indian entrepreneur navigating success on international level.
