Speaking on the occasion, chief guest Sambhajiraje Shahu Chhatrapati, former Rajya Sabha member, social leader and philanthropist said, "I was in New Zealand last month and had the opportunity to stay at one of the finest golf courses in the world—Rosewood Kauri Cliffs and at that minute I felt, I'm staying at Kauri Cliffs and not playing golf! It doesn't make sense! So, I decided I need to start. I think *Business Today* has given me an opportunity."

Punam Kalra emerged as winner of the Ladies section with a solid 34 points while both the men's events saw some terrific competition. Vinit Patel topped the 0 to 14 handicap section with 38 points while Rohit Anand needed a better back nine count to seal his runner-up place. It was even closer in the 15 to 24 handicap competition with Major General Ramesh Kaushik taking the top spot with 34 points for a better back nine than Jagdish Belwal, who notched up the same total.

Of the spot awards, Asha Karve won the Radico Straightest Drive prize with the ball stopping eight inches from the line on hole 2, the Radico Closest to Pin award on hole 3 went to Aditya Pusalkar, whose tee shot was just 2 feet and 6 inches from the flag, the Radico Longest Drive prize on hole 12 went to Parav Karia for his 288-yard hit.
