

DRIVING INDUSTRY STANDARDS AND EXCELLENCE

RAJAT KUMAR PRUTHI

International Security Organisation (ISO Group of Companies) CEO Rajat Kumar Pruthi features on our list of 20 Inspiring Business Leaders 2024 as Inspiring & Influential Business Leader of the Year (Security Solutions & Facility Management).

Rajat has propelled the ISO Group to unprecedented heights in security and manpower services, cementing their brand image, and garnering recognition from global platforms. With ambitious expansion plans spanning the Middle East, Australia, and Southeast Asia, Rajat plans to establish an in-house uniform manufacturing unit and a robust supply chain management system soon.

Rajat is known for fostering high-performance teams dedicated to delivering exceptional results as a passionate industry leader. His pragmatic approach and penchant for innovation have enabled ISO Group to thrive in competitive landscapes, setting new benchmarks for success.

Rajat epitomizes excellence, inspiration and influence, shaping ISO Group's trajectory toward unparalleled growth.

DR. DEBNATH MUKHOPADHYAY: DRIVING FINANCIAL EXCELLENCE AT TRUALT BIOENERGY

Leading the way in India's biofuel industry and driving the country's sustainable energy initiatives is TruAlt Bioenergy, the country's largest ethanol producer. The organisation's emphasis on excellence is steered further ahead by its Chief Financial Officer, Debnath Mukhopadhyay.

Debnath's incredible financial acumen is demonstrated by his rise from junior accountant to CFO at TruAlt Bioenergy. He has a strong educational background and has worked in various industries for 24 years, from FMCG to renewable energy.

Debnath uses his vast experience from prestigious positions in various industries to shape the company's financial strategies. He has received multiple honors for outstanding work, including SAP S4 Hana Implementation Excellence and CFO of the Year.

Debnath's leadership advances India's sustainability goals by strengthening TruAlt Bioenergy's position in the biofuel industry. His commitment to excellence in finance guarantees TruAlt's continuous prosperity and expansion.

VARNIKA GULATI

REVIVING INDIAN HANDLOOM: VARNIKA GULATI'S DIGITAL RENAISSANCE

Varnika Gulati, Creative Director of Gulati Editions, embarked on a digital transformation journey after graduating from Flame University in 2019. Her mission is to redefine the traditional consumer market and promote Indian handloom nationwide. Through her innovative digital strategies, she aims to reach millions, showcasing Gulati Editions' niche range of handloom Banarasi sarees. Varnika's passion for India's handloom craft and weaver community has been featured in prominent editorials like Forbes India, Fortune India, and Femina India. Today, Gulati Editions is not only renowned for its handloom sarees and fabrics but also for supporting thousands of weavers, preserving legacy spanning generations. Owing to her creativity and sharp business acumen, Varnika makes it to our list of 20 inspiring business leaders 2024.
