DOCTOR-ENTREPRENEUR REDEFINING BEAUTY & FASHION

Dr. Aishwarya Selvaraj, a visionary with a keen eye for innovation in the field of aesthetics, has carved a unique path as a boss, doctor-entrepreneur and social media influencer. At the helm of Skin Envy, a Chennai-based skincare clinic, Dr. Aishwarya prioritizes accessibility by offering the world's most advanced technologies at affordable prices.

Her expertise and influence extend beyond her clinic walls as her love for skincare extends to her fashion venture, Sarvatva Sarees! Prioritizing skin health, Sarvatva Sarees utilizes organic, skin-friendly fabrics free of endocrine disruptors. Sourced ethically from women weavers, the brand reflects her commitment to ethical and sustainable practices.

Recipient of the National Fame Award for Most Popular Cosmetologist of the Year, Dr. Aishwarya seamlessly blends her international medical expertise with her entrepreneurial vision to redefine the beauty industry. Her core values of inclusivity and empowerment resonate not only in her approach to skincare but also extend to her commitment to ethical practices within the fashion world!
