

FROM ADVERSITY TO EMPOWERMENT

In 2023, MMalvikaa, the Founder of Maven Paradise, was honored with the title of Best Emerging Tarot Reader & Healer. Specializing in personalized counseling, she aids clients in navigating personal, professional, and financial challenges, fostering abundance in their lives.

MMalvikaa's journey mirrors the resilience of the mythical Phoenix, rising from the ashes. Stricken by Guillain-Barre Syndrome in 2012, she endured 2 months on a ventilator and an extended period in a wheelchair. Throughout this arduous period, she delved into various self-healing practices, such as Sudarshan Kriya, Reiki, and Energy therapies, achieving full recovery by 2013. This transformative experience unveiled her life's purpose - to aid others - and thus, Maven Paradise was conceived.

As a healer, MMalvikaa guides clients in self-discovery, helping them recognize their strengths and weaknesses, and make well-informed decisions. She firmly believes in converting challenges and tragedies into opportunities for growth.

With over a decade of experience in Occult Science & Healing, MMalvikaa has conducted sessions with corporates and schools, aiding individuals in overcoming trauma, alleviating stress, enhancing self-assurance, and making better decisions.

Transitioning from the corporate sector to pursue her true calling, MMalvikaa overcame Guillain-Barre, an autoimmune disease, through sheer determination and mental resilience.

Certified in various modalities including Tarot Reading, Reiki, Akashic Reading, Past Life Regression Therapy, Numerology, Counseling, Lama Fera, Angel Therapy, and Mahakali Healing, MMalvikaa has supported clients worldwide for over a decade, earning the trust of more than 10,000 individuals for her guidance and support.

Takumi International MD Harsh Pandey Exemplifies the Blend of Talent, Commitment & Leadership

HARSH PANDEY

In the vibrant tapestry of India's corporate landscape, Harsh Pandey emerges as a beacon of entrepreneurial prowess and commitment to quality. As the Managing Director of Takumi International Private Limited, Harsh emerges as a beacon of entrepreneurial prowess and commitment to quality.

Harsh leads Takumi's amazing team of over 150 professionals across four countries, orchestrating a symphony of talent and dedication. He is integral to the organisation's journey from a modest duo to a commercial powerhouse. Within the corridors of Takumi, the air is charged with a sense of purpose, where every endeavor is infused with the spirit of precision and proficiency.

Takumi has been synonymous with unwavering commitment to client satisfaction since its inception. Harsh's leadership spirit revolves around championing client interests and providing them invaluable insights into their products and services. With a strategic presence in India's urban and rural sectors, Takumi's dedicated team ensures top-tier data collection rigorously up to predefined standards and deadlines.

The ethos of Takumi, derived from the Japanese word meaning "artisan" or "skillful" underscores the organization's commitment to craftsmanship and quality. Harsh, a custodian of this ethos, seamlessly transitioned Takumi into an independent entity while retaining the Japanese culture of excellence instilled during its tenure with Intage India. Under his leadership, Takumi aspires to carve a niche as a market leader, propelled by a relentless

pursuit of innovation and service excellence.

A cohesive team of dynamic individuals guided by Harsh's vision and leadership is central to Takumi's organizational culture. Every project undertaken by Takumi reflects a meticulous understanding of client objectives and needs from conceptualization to delivery. This client-centric approach permeates every facet of Takumi's operations, from initial briefings to final project delivery, ensuring unparalleled service and expertise.

As Managing Director, Harsh extends a warm invitation to prospective clients to experience firsthand Takumi's expertise and capability in translating promises into actions. For Harsh, the ultimate testament to success lies in garnering repeat business from Takumi's esteemed clientele, a testament to the organization's unwavering commitment to client satisfaction.

Beyond the boardroom, Harsh is a visionary leader driven by a passion for innovation and social responsibility. He envisions Takumi as a corporate entity and a catalyst for positive change, empowering communities and fostering sustainable development initiatives.

In the world of business leadership, Harsh Pandey stands as a true example of the transformative power of vision, dedication, and unwavering commitment to excellence. As Takumi International Private Limited continues to scale new heights under his stewardship, Harsh's journey inspires aspiring entrepreneurs and corporate leaders alike, a testament to the adage that anything is possible with determination and resilience.
