AND ENSURE SEAMLESS
COMMUNICATION.**

WORK DESKS:

Empower professionals with user-centered technology solutions that enhance productivity, collaboration, and well-being, whether in the office or working remotely. They are equipped with essential tools for seamless collaboration, including a full HD webcam, noise-canceling wireless headset, and a customisable keyboard and mouse. It also features a 4K ultra-HD webcam, a premium bluetooth® headset with active noise cancellation, precision peripherals, and a docking station with meeting controls.

1. LOGITECH BRIO 4K WEBCAM:

Enjoy crystal-clear video calls with the Logitech Brio 4K Webcam. With its ultra HD 4K resolution, this webcam provides exceptional clarity, ensuring you always look your best during virtual meetings. It features RightLight™ 3 technology with HDR, which automatically adjusts to various lighting conditions, so you appear optimally lit. The webcam supports Windows Hello, allowing for secure login to your computer.

2. LOGITECH MX KEYS COMBO:

Enhance your typing and navigation experience with the Logitech MX Keys Combo. This set includes the MX Master 3S mouse, which features an 8,000 DPI Darkfield™ sensor for precise tracking on any surface. The mouse also has seven customisable buttons and MagSpeed™ scroll technology, allowing you to scroll through 1,000 lines in just one second. Paired with the MX Keys S keyboard, the combo offers USB-C charging, customisable keys, smart illumination, and the ability to connect to multiple devices. Together, these features ensure a smooth and efficient workflow.

3. LOGITECH ZONE WIRELESS 2 HEADSET:

Stay focused and connected with the Logitech Zone Wireless 2 Headset. It features 40mm drivers that deliver exceptional audio quality, ensuring your calls and music sound outstanding. The hybrid AI noise cancellation technology minimises background distractions, keeping your voice clear. With up to 40 hours of listening time and 18 hours of talk time, this Teams-certified headset is perfect for long workdays.
