Meyyappan Nagappan, Partner, Trilegal

Amit Kapur, Partner, JSA

Srinath Sridharan, Corporate Advisor at BT India's Most Sustainable Companies Summit & Awards

- "Multilateral institutions are sitting on sizeable concessional capital. What they are looking for is a framework that gives them confidence the proceeds will be guaranteed through regulatory measures," Nagappan said.
- "We need to incentivise risk mitigation, credit-enhance the investment proposition in a way that pulls in climate capital," Kapur said.
- "Need de-risked finance models, possibly with government front-loading," Sridharan said.
