

acres of land. Amrapali Homes has developed six urban residential projects that includes Amrapali Exotica at Noida, Amrapali Green, Amrapali Royal & Amrapali Village at Indirapuram, Amrapali Vaishali at Vaishali, Amrapali Grand at Greater Noida and Amrapali Awadh at Lucknow.

Apart from laying strong foundations of these one- of- its- kind residential projects

Amrapali Group has recently launched its most awaited premium project "Amrapali Platinum" in Noida. This prestigious residential project of the group comprises exclusive 3,4&5 bedroom apartments, penthouses, condominiums & dream villas with world class living features like terrace garden, splash pools, Jacuzzi, lavish business lounge, boutique club etc. and thus opens the door of high- end living style in Noida.

So as to follow its mantra of "Comfort Living" the Group employs the world-renowned architect "Hafeez Contractor". The Group provides amenities of international standards like splash pools, modern in-house club with swimming pool, gym, pools, sports facilities and community activities.

Besides the above most exclusive residential locations the Group is coming up with entirely new concept of commercial projects at a various strategic locations at IMT Manesar, Vrindavan and Bareilly.

The Amrapali Commercial Complex cum-corporate hub at IMT Manesar is the prime commercial project of the Group. Amrapali Mall at Bareilly and Amrapali Mall at Vrindavan are all set to bring retail revolution, with world-class state-of-the-art infrastructure, which has invited the attention of multi national corporations and retailers. These best located commercial projects offer premium on site features and great ambiance. Three screens Cineplex, capsule lift, wide centered atrium, ample parking space, 100% power back up, round the clock security. Apart from these projects the Group is moving forward to partner with the State Government in developing the class residential cities

The secret of the success of Amrapali, therefore, lies in its use of latest technology and management methods, in-depth experience, skilled manpower that enables the company to be on the forefront of real estate sector.
