Motto

Customer satisfaction is the key to enduring success

An affiliate of the industrial conglomerate JK Organization, a name familiar to perhaps three generations of Indian consumers. Sensing the need of the market and the nation, a new grey cement plant was established in 1975. Thus the cement division or the JK Cement as we know it, was formed at a time when the country had just embarked upon its ambitious journey of development. With rapid industrialisation and infrastructure development apace, cement was and continues to be a key raw material. It would be fair to say the JK Cements has indeed partnered in the nation's march to being a global power.

Justifiably this Kanpur based company has grown as one of the key national players in this field. The continuous capacity expansion programme of both grey and white cement along with captive power projects are strong testimonials to a vision of growth and. JK Cement has actively pursued Greenfield as well as Brownfield expansions to meet the growing demands of an economy on the upswing.

Brand Equity

Operating at 100 per cent capacity utilisation along with strong brand equity makes JK Cement, a name to watch out for, JK Cement has over 30 years experience in the Indian
