MOTTO

"Together we can, together we will."

He who cherishes a beautiful vision, a lofty ideal in his heart, will one day realize it!

This acronym says it all for the life of CEO, Rajinder Gupta, of the Trident Group. A unique rags to riches story. His success story has been an inspiration for many. RG, as his members fondly know him, was the first generation entrepreneur with a humble background, who started off with a fertiliser plant in 1985 and forayed into other businesses like terry towels, yarn and chemicals with a never say die attitude, he went on to set up Abhishek Industries Limited (AIL) in 1990 as a flagship company of Trident group, now a 15 billion conglomerate. Today it has made formidable presence in five areas: yarn, terry towels, paper, chemicals and power. AIL figures amongst the top five in the world in Terry Towel manufacturing and one of the largest producers of agro-based paper. AIL exports to over 37 countries across 5 continents with an annual growth rate of over 30 per cent. Terry Towels business exports to the world's biggest and most reputed companies and retail chain stores like WalMart, J.C.Penney, Luxury and Linens, Target, Franco, Sears and many more.
