

Being no.1 is good. Being first is better.

At MCX, we pride ourselves on being India's no.1 commodity exchange. But to be the first multi commodity exchange in the world to receive the prestigious ISO/IEC 27001 : 2005 (the upgraded version of SBS 7799-2 : 2002) certification is truly special. It is the ultimate attestation of our commitment towards the confidentiality and integrity of our information systems to provide our partners with the most secure environment for conducting business. Coupled with the ISO 9001 : 2000 certification that we have received since 2004 for excellence in quality management, it reaffirms our pledge to continuously excel at providing value.

The world's first multi commodity exchange with a dual ISO certification for excellence
in quality management and information security.
