

the brightest opportunity in global beauty. As one of the fastest-growing beauty and personal care markets worldwide, India is projected to become a \$40-45 billion market by 2030.”

Nykaa today caters to over 45 million customers via 250+ stores across 80 cities. Along with its wide online reach, it has ensured ownership of luxury beauty products is no longer confined to metros but reaches aspirational consumers across the country.

INDIA’S LUXURY beauty journey is being redefined by a powerful intersection of quality products, digital influence, and a renewed commitment to self-expression and self-care... Beauty is no longer skin-deep; it’s about self-confidence, identity, and how you feel. At Birla Cosmetics, we see this not just as a market opportunity, but a cultural shift,” says Ananya Birla, Founder and Managing Director of Birla Cosmetics Pvt Ltd.

When it comes to the fastest growing segments within luxury beauty in India, industry experts note dynamic growth across categories and add that fragrances serve as a key entry point.
