

RIMOWA CLASSIC CHECK-IN L

► Rimowa's ribbed aluminium has been a design language of travel for decades. The Classic Check-In L brings the romance of air travel together with modern practicality. You get a stage-free telescopic handle that stops exactly where your hand wants it, the multiwheel system that glides through terminals without drama, TSA-approved locks and a flex divider that keeps tailoring in shape. The case is large enough for a two-week trip, tough enough to take knocks and elegant enough to look right next to a chauffeur on arrival. The lifetime guarantee is a rarity these days and underlines the brand's industrial confidence.

Price: \$1,950/ ₹1.72 LAKH
