

Titans Of Luxury

Indian luxury is booming, with conglomerates like Reliance Industries, Tata Group, and Aditya Birla Group expanding aggressively. The \$10 billion market is projected to triple by 2030. Reliance leads with global brands and luxury malls; Tata is growing through Titan and Tata Cliq Luxury. At the same time, Aditya Birla is focusing on fashion and ethnic wear, each using unique strategies to capture this flourishing segment. Will the fight for market dominance unlock India's true luxury potential?
