

STOR CHALL

An aerial photograph of a large-scale power storage facility under construction. The facility is situated in a rural area with hills in the background. The foreground shows numerous white, rectangular storage units arranged in rows on a reddish-brown dirt ground. In the background, there are power lines and a forested area. The sky is filled with large, white clouds.

INDIA IS SEEING A BUILD-UP OF MASSIVE POWER STORAGE FACILITIES TO MEET PEAK DEMAND. DESPITE A SHARP DECLINE IN STORAGE COSTS, POLICY UNCERTAINTY AND DELAYS IN FINALISING POWER PURCHASE AGREEMENTS CONTINUE TO POSE SIGNIFICANT OBSTACLES
