

Know, Know

... perfectly captures quiet
wealth whispers'

es for the term grew by 337% in April 2024 alone. 'New-age minimalism' and 'coded luxury' are two of the most common definitions we've seen bandied around. But they paint just half the picture.

Its recent history can be traced all the way back to the early decades of the last century, when Coco Chanel's chequered tweed and the 'little black dress' became symbols of style, and chic classicism ruled. And then there was the legendary Yves Saint Laurent (YSL), who exemplified 'chic'ness in every garment and accessory. At that point in time, what is quiet luxury today was termed 'chic.'

The sudden resurgence of this trend in fashion circuits can be traced to the famous HBO series *Succession*, which was at the cutting edge of the quiet luxury trend, just like *Sex and the City* did in its day (1998 onwards) for brands like Gucci, Dolce & Gabbana, Jimmy Choo, Fendi, etc., which were worn to be seen. The popularity of
