

A New Era of Elevated Living: Casagrand Redefines Urban Spaces with Four Iconic Developments

In the ever-evolving urban landscape, home is no longer just a place to reside; it's an experience. Casagrand, a name synonymous with innovative real estate development, is revolutionizing how people envision modern living. With four marquee projects—**Casagrand Suncity**, **Casagrand Hanford**, **Casagrand Casablanca**, and **Casagrand HolaChennai**—the brand is pushing the boundaries of comfort, style, and community living. Each development is meticulously designed to cater to the unique needs of contemporary homebuyers, blending world-class amenities with prime locations.

Casagrand Suncity: A Township Like No Other

In the heart of Chennai, where sophistication seamlessly intertwines with convenience, lies Casagrand Suncity, a landmark township project that redefines opulent living. Spanning **40 acres** along the rapidly developing **Kelambakkam-Vandalur Road**, this remarkable development is a **city unto itself**, embodying the essence of **luxury, comfort, and community**. Inspired by the grandeur of **Roman architecture**, Casagrand Suncity features an impressive elevation of 36 stories, characterized by its majestic façade, colossal domes, and elegant columns. This architectural marvel houses a diverse range of meticulously designed 2, 3, and 4 BHK apartments, each serving as a testament to modern living.

Beyond mere residences, the township boasts over **130+ world-class amenities**, including **80% open spaces** and **5.5 acres of meticulously landscaped**

podiums, creating an oasis of tranquility amidst the urban landscape. At the core of the community lies the **Santa Clara Clubhouse**, a two-acre haven adorned with a grand double-height lobby. This luxurious facility features two expansive swimming pools, an innovative Aquileia Park, and a party terrace, ensuring an unparalleled leisure experience for residents. The first phase alone showcases a stunning 20,000-square-foot Olympic-sized pool, offering a touch of resort-style luxury. Casagrand Suncity goes beyond the ordinary by fostering a vibrant community that caters to all generations. From play areas designed for young children to serene garden patios for seniors, the property is equipped with amenities that promote active lifestyles and social interactions. With facilities ranging from sports courts to an outdoor gym and yoga deck, residents can embrace wellness and connectivity amid the greenery. For those in search of their dream home, Casagrand Suncity offers not just

a residence but a lifestyle—an aspirational haven where Roman elegance meets modern conveniences, setting a new standard for luxurious living in Chennai. **RERA No.- TN/35/Building/0053/2024.**

Discover Casagrand HolaChennai: The Future of Urban Living

In the fast-evolving world of real estate, another project that is setting a new standard for urban living is **Casagrand HolaChennai**. Located in the bustling **Sholinganallur**, Casagrand HolaChennai is a **30-acre township** offering more than just homes; it presents a self-contained **"city within a city."** Casagrand HolaChennai's expansive layout features **1,818 premium residences**, from cozy 2, 3 & 4 BHK apartments, spacious 5 BHK floor villas, or signature 4 BHK villas, designed with meticulous attention to detail. Beyond luxurious living spaces, the community boasts over **160+ world-class amenities**, including a **1.7-acre grand clubhouse**, outdoor cinemas, and
