

Empowering Future Leaders at REVA Business School

REVA Business School, a cornerstone of REVA University, is committed to cultivating the next generation of managers and leaders. Amidst the diverse programmes offered at the university, Business Education takes centre stage, distinguished by its updated curriculum and adept faculty. Positioned among the country's top business schools, REVA Business School has a visionary mission: to educate and empower future leaders in building sustainable businesses, achieving operational excellence, and exploring innovative models.

Academic Prowess

REVA Business School (RBS) at REVA University boasts a faculty that transcends conventional expertise, comprising influential thought leaders. The commitment to academic excellence is evident through a meticulously designed curriculum, ensuring students are equipped with the latest industry insights and cutting-edge skills. Led by Dr. P. Shyama Raju, Chancellor of REVA University, the faculty's visionary approach positions RBS among the top business schools, emphasising a transformative learning experience.

Global Perspective

Embracing diversity and fostering an international outlook, REVA University creates a global learning environment. Partnerships with renowned universities coupled with exchange programmes, contribute to a rich cultural tapestry. A diverse student body prepares students to navigate the complexities of a globalised business landscape, ensuring a holistic education that extends beyond borders.

Innovative Pedagogy

RBS goes beyond traditional lecture formats, leveraging innovative teaching methods such as case-based learning, simulations, and experiential projects. These immersive approaches place students in real-world scenarios, honing problem-solving skills and strategic thinking. The faculty's dedication to progressive pedagogy ensures that students receive a dynamic and transformative educational experience.

Industry Connections

REVA Business School often partners with corporate and other business firms, which helps provide students with research projects, guest lectures, sponsorships and internship opportunities. RBS also hosts guest speakers from the industry like Mr. Subramanian Swamy, Prof. M. D. Nalapat, Mr. Anand Ranganathan, Ms. Suhasini Haidar, Dr. Venkat

Iyer, Dr. R. Vaidyanathan, Mr Raj. B. Shetty, Dr. Shamika Ravi through flagship events like the RBS Distinguished Lecture Series, RBS Youth Leadership Series, and RBS Doyens Lecture Series thereby providing students with insights into the current business and management practices and trends.

Entrepreneurship Support

Nurturing the entrepreneurial spirit, REVA Nest provides dedicated centres for startups, incubators, and accelerators. Access to venture capital, mentorship programmes, and collaborative spaces fosters an ecosystem where aspiring entrepreneurs can transform their ideas into successful ventures, contributing to a culture of innovation.

Internship and Career Opportunities

REVA University's Career Development Centre (CDC) plays a pivotal role in guiding students toward the right career path. Through interest mapping and training facilitated by partnered experts, the CDC ensures students are well-prepared for the transition from campus to professional endeavours. Meticulously designed training, collaborations with domain experts, counselling, motivational talks, workshops by industry veterans, and technology-focused sessions align with recruiter needs. Innovative approaches, such as placement boot camps, contribute to REVA's impressive placement records. With 450+ recurring recruiters, the CDC facilitates placements with esteemed companies, offering dream packages.

Focus on Ethical Leadership

Beyond financial success, RBS places a strong

emphasis on ethical leadership. Courses and discussions on corporate social responsibility, ethics, and sustainability instill a sense of responsibility in future business leaders, creating a foundation for ethical decision-making in the corporate world.

Cutting-edge Research

Distinguished faculty members at RBS engage in groundbreaking research, contributing to advancements in various business domains. Students benefit from exposure to the latest research findings, fostering a culture of inquiry and intellectual curiosity that extends beyond the classroom.

Flexible Specialisations

Recognizing diverse interests and career goals, RBS offers a wide array of specialization options such as Marketing, Human Resources, Finance, Operations Management, International Business, and Mass Communication. This flexibility allows students to tailor their education, aligning with their passions and aspirations.

AT REVA University, education extends far beyond academics. By fostering research, innovation, and entrepreneurship in collaboration with industry, research institutes, and globally reputable academic institutions, REVA Business School actively contributes to the broader objective of cultivating skilled, passion-driven individuals and nurturing transformational leaders and enterprise builders in both society and the nation at large. We not only shape careers but also inculcate high moral, ethical and professional values in our learning community.
