

GIBS PRACTICE SCHOOLS OF EXCELLENCE

Cultivating Our Management Students into Tomorrow's Business Leaders

MR. RITESH GOYAL

Founder & Managing Director
GIBS Business School

At GIBS Business School, we focus on delivering an education that blends innovation, research, and entrepreneurship through our PGDM and BBA programs. As the Managing Director, I lead an institution dedicated to preparing students for the dynamic business landscape. Our unique Practice School of Excellence provides hands-on experience, ensuring that students are equipped with the skills needed to excel in real-world scenarios. With a strong emphasis on experiential learning, our programs offer students opportunities to engage with industry experts, work on live projects, and develop practical insights that go beyond classroom learning. GIBS fosters a nurturing environment where students are encouraged to think creatively, solve problems, and lead with confidence.

GIBS IRE School: Driving Innovation

The GIBS IRE School combines 50% practical exposure, 20% fieldwork, and 30% theoretical knowledge to ensure students are industry-ready. Our 300-hour Post Graduate Program in Innovation, Research & Entrepreneurship (PGPIRE) provides students with insights from over 50 founders, CEOs, and CFOs, turning ideas into actionable business ventures.

GIBS Finishing School: Bridging Academic and Professional Success

The 400-hour Certification in Personal Mastery Program (CPMP) at GIBS Finishing School equips students with essential soft skills, preparing them for the corporate world through interactions with HR professionals and real-world business scenarios.

GIBS AI School: Pioneering the Future

Through cutting-edge AI training, the GIBS School of Artificial Intelligence prepares students to lead in a world driven by technological advancement, providing them with the skills to be innovators in this space.

GIBS SoYL: Empowering Young Leaders

The GIBS School of Youth Leadership (SoYL) offers experiential learning, cultivating leadership skills in students from diverse backgrounds, representing over 22 states and international communities.

GIBS SIDR & SoHM: Research and Well-being

The GIBS School of Interdisciplinary Research (SIDR) encourages innovative problem-solving, while the GIBS School of Happiness & Mindfulness (SoHM) fosters emotional intelligence and well-being, ensuring students are balanced both professionally and personally.

At GIBS, we are not just educating; we are building the future of business leadership through practical experience, innovation, and leadership excellence.
