Living TEACH LESS LEARN MORE Pedagogy

Fostering Entrepreneurial Spirit.
Cultivating Job Creators over Job Seekers

Being in NCR and close proximity to a major industrial, corporate and aviation hub; our students get the best of faculty and industry exposure, giving our students a distinct edge over universities located in other areas

“Active Learning” adopted by Galgotias University is a pedagogical approach that goes beyond traditional methods by engaging students in participatory activities within the learning process. Rather than passively receiving information, students are actively involved in activities such as discussions, problem-solving tasks, and hands-on exercises. This approach fosters critical thinking, collaboration and deeper understanding of concepts, making learning more dynamic and effective. Active learning encourages students to take ownership of their education and prepares them for success in an ever-evolving world.
