longer. Two years ago, IIM Indore placed around 600 students in just two and a half days; last year, it took about two months. “The obsession with 100% placement is misplaced,” says Rai. “Even globally renowned institutions like Harvard and Stanford achieve 70-80% placement within six months. We need to shift the focus from placements to the quality of education and the long-term success of our graduates.”

Rai also emphasises that leadership is cultivated through a dynamic curriculum, innovative programmes and collaborations with other institutes. “Our joint Master of Science in Data Science and Management with IIT Indore

5	INDIAN INSTITUTE OF MANAGEMENT INDORE
Overall score	850.3
Placements in 2024	594 students of PGP+ 5-year Integrated Programme in Management
Campus experience	- It has 58 international partner universities across 23 countries - It aims to engage the students in solving real-world problems affecting its surroundings
New initiatives (digital/entrepreneurship)	- Project ABHYUDAYA, an initiative with an investment of ₹432 crore to significantly improve infrastructure - Plans to increase the number of seats for PGP and IPM programmes

is one such initiative, designed to keep our students at the forefront of industry trends,” he adds.

By providing a broader frame of reference for its students, IIM Indore is ensuring that they are not pigeonholed into roles. It is perhaps a reflection of such efforts

that it has broken into the Top 5 in the BT-MDRA India’s Best B-schools Survey 2024 and has been ranked fifth, thanks primarily to an improvement in its score on placement. **BT**
