

SHRI BHARAT KUMAR TAPARIA
Hon. Chairman, Bombay Hospital

These were the words of Shri Rameshwar-das Birla, the doyen of the Birla family, while forming the Bombay Hospital Trust, which was constituted on 06th September 1949, as a Public Charitable Trust, Registered under the Bombay Public Trust Act, 1950, with a main purpose of setting up hospitals.

Bombay Hospital Mumbai, the Flagship Hospital

of the Trust was set up in 1952, with 450 beds, of which 150 beds were in the General Ward, for poor patients where no charges were levied for the bed, food, operation theatre or doctor's charges. The free outpatient department was also set up, where free consultation was provided to the needy patients.

Later, Shri Madhav Prasad Birla, son of Shri Rameshwar Das Birla, took a keen interest in the working of the Hospital. The Bombay Hospital had a very special place in his heart. He would make frequent enquiries about the quality of the treatment, more particularly to the poor and needy. He also inducted Shri Bharat Kumar Taparia, as a

Board Member of the Bombay Hospital Trust, in the year 1983.

Shri Bharat Kumar Taparia, Hon. Chairman has transformed Bombay Hospital Mumbai, into one of the largest and finest Multi-Super-Specialty Tertiary Care Medical Centre in the country.

Under his active supervision, the hospital has ex-

panded to 750 beds. The internationally renowned panel of doctors and consultants in every field of specialization has at its disposal cutting edge equipment supported by highly trained professional nursing staff and dedicated management team.

Bombay Hospital Mumbai is the centre of excellence for: Neuro Sciences, Cardiovascular Sciences, Nephro & Uro Sciences, Comprehensive treatment of Cancer and many more specialties. The patients are referred from all over the country and also from abroad.

With a view to cater to the medical needs from the Central part of India, the Bombay Hospital Trust under the leadership of Shri Taparia, has set up a State of Art 600 bedded Multi Super Speciality Tertiary care Hospital, at Indore, Madhya Pradesh, in October 2003. In less than 20 years, Bombay Hospital Indore has also become a centre of excellence and a referral hospital for whole of Central India.

"Bombay Hospitals in Mumbai and Indore have always emphasized on Medical Excellence. Our third hospital under the trust will be shortly commissioned at Jaipur, as Bombay Hospital Jaipur. Our aim is to build institutions rather than hospitals. We have a unique model where our doctors provide tertiary care treatment for all patients, in an academically stimulating environment", says Shri Taparia.
