MAHINDRA & MAHINDRA

Gearing Up for Growth

July 2024 Sales: 485 units

Model: XUV 400

Mahindra & Mahindra (M&M) is gradually climbing the ladder. The XUV 400, Mahindra's sole electric SUV, saw 27% increase in sales YoY, with 485 units sold in July 2024. Mahindra holds a 6.45% share of the EV market, and its sales in the first seven months of 2024 have more than doubled compared to the previous year. Mahindra is expected to expand its EV portfolio, which could drive further growth.
