A Strategic **IMPACT** Initiative

Andhra Pradesh leads India's investment pipeline, commanding ~25% of total proposed investments (FY26)

Among India's fastest states for project approvals, with single-window clearances accelerating on-ground execution

₹13+ lakh crore in investment commitments, spanning tech, energy and manufacturing

11%+ GSDP growth, positioning AP among India's fastest-growing large states

Global capital magnet for AI, data centres and renewable energy

Over 1 million jobs unlocked, cementing AP as India's next growth powerhouse

INDIA' SUNRISE STATE ANDHRA LEADS INVESTMENT

Built on ambition, speed and long-term vision, Andhra Pradesh is shaping India's next chapter of global growth and opportunity
