S TO REINVENTION

2020-21

RESILIENCE AND RECOVERY

- ▶ Fortis played a vital role in responding to the health crisis during Covid-19
- ▶ It was able to navigate the challenging environment because of a well-capitalised balance sheet and cost-efficiency measures

2021-22

STRATEGIC GROWTH AND EXPANSION

- ▶ Despite Covid-19, Fortis witnessed healthy growth, registering its highest-ever consolidated Ebitda of ₹1,000+ crore
- ▶ It focussed on growth levers like hiring clinical talent, expanding programmes and initiated brownfield expansion

2022-Present

REINVENTION AND FUTURE GROWTH

- ▶ Focus on brownfield expansion (2,000+ beds) and strategic acquisitions (450 beds in Manesar)
- ▶ Divestment of under-performing assets (like two hospitals in Chennai) to improve profitability
