

THE WAY TO THE TOP

Hardeep Singh Puri, Union Minister of Housing & Urban Affairs and Petroleum & Natural Gas

» Sharing his perspectives on India's economic trajectory, Union Minister Puri highlighted the pivotal role played by the public sector in driving growth

» He spoke on the private sector's contribution, urging Indian companies to get out of their comfort zones and seize challenges in a world facing economic uncertainties

» He also emphasised the need for innovation and talent development in the energy sector

» Puri urged companies to adopt a global mindset, emphasising that physical location should not limit their reach. He encouraged Indian businesses to aspire to global leadership, citing examples of entrepreneurial success stories

TECH TALK

Rahul Kanwal (left), News Director of India Today and Aaj Tak, and Executive Director of *Business Today*, with **Sunil Bharti Mittal**

» Mittal underscored the importance of India's position as an alternative to China. He spoke about the vital need of connecting every constituent through digital channels

» He said technological advancements take time to shape up, but believes the platform is ready

» Speaking of AI, he added that though there have been some job losses, the technology will eventually enable various sectors, thus creating a million jobs
