

Pioneering figures in contemporary India reshaping the healthcare landscape

Dr. Minnie Bodhanwala is the CEO of Nowrosjee Wadia Maternity Hospital & Bai Jerbai Wadia Hospital for Children, Parel, Mumbai. She has received more than 100 Awards in her career for various fields she has ventured in.

Dr. Minnie has played an instrumental role in bringing a positive transformation at Wadia Hospitals and shown compassion towards the underprivileged Women and Children of our Nation. With her dedication, excellence, innovation and sustainable vision Wadia Hospitals being charitable semi-government organizations are providing quality, safe and affordable healthcare at par with top corporate hospitals to the underprivileged Women and Children of our nation.

Dr. Minnie possesses strong domain knowledge in implementation and execution of business strategies, ensuring high-quality standards in service delivery, identifying control enhancement modules; escalating significant issues identified and proposing resolutions. She is highly experienced in successfully managing diverse groups of people as well as handling union committees. A visionary and ethical enterprise originator, she nurtures and executes new ideas, engages in multiple projects, recreates branding for organisations, business verticals and is confident in taking the organisation to the next level.

Dr. Minnie Bodhanwala is presently managing the two hospitals with 925 beds, with the staff capacity of almost 1800 including medical, paramedical and administrative manpower. Dr Minnie is also the advisor to the Chairman of Wadia Group for CSR activities, advisor to Impact India foundation, advisor to the Modern Education society, which operates 7 colleges in Mumbai and Pune, Advisor for Britannia Nutrition foundation & Sir Ness Wadia Foundation. Holding Directorship at Bombay Dyeing Mfg & Co. Ltd, National Peroxide Ltd and the Bombay Burmah Trading Corporation, Ltd.

Dr. Minnie has played an instrumental role in bringing a positive transformation at Wadia Hospitals and shown compassion towards the underprivileged women and children of our nation. It is only because of her dedication, excellence, innovation and sustainable vision that Wadia Hospitals being a charitable semi government

organisation are providing quality, safe and affordable healthcare at par with top corporate hospitals to the underprivileged women and children.

Dr. Minnie Bodhanwala played an inspiring role in the relief and rehabilitation programs during the Covid-19 situation. The various initiatives included setting up a 20-bedded isolation ward at the Children's hospital with all the supporting critical care equipment's, providing hot meals and grocery hampers to families. The landscape of beneficiaries included underprivileged families, those stranded in public places, those with shelter but without livelihood and the poorest of the poor, who had their aid cut off because of the bigger crisis. Combined with the hot meals, the total meals equivalent were 60 lakh.

With her help the state have been able to achieve high standards of healthcare in our region and cater to the underprivileged people from all over the country and abroad. Due to her efforts our region proudly hosts one of the largest NICU in the world with 155 beds, the Paediatric hospital caters to more than 30 Paediatric services. Dr. Minnie has established centers of excellence at BJWHC in Paediatric Cardiology, Complex Paediatric Surgeries, Neurology and Neurosurgery, Nephrology, Hemat-Oncology and Bone Marrow Transplant, thus providing comprehensive treatment to all children under one roof. Also she has looked minutely into the health needs of the community by catering to people with rare health conditions, which are often ignored by other health players as these health conditions do not earn much revenue for them or these patients are extremely poor and cannot afford expensive treatments. With her efforts Wadia Hospitals have a dedicated nodal center for Clubfoot treatment in Maharashtra, a dedicated clinic for Cancer, Malnutrition, HIV, TB, Epilepsy, Occupational therapy etc. Recently the Hospital has also started with a clinic for children suffering with MDVI, which is one of a kind initiative in this region. She has also set up IVF center for the

poor patients who cannot afford expensive treatment. The hospital caters to more than 3,00,000 patients every year.

Over the years she has arranged several medical & malnutrition camps in the rural areas and education programmes for the underprivileged of our nation for empowering them. Dr. Minnie has played a key role in establishing a strong foundation for community projects in dental health for Impact India foundation by UNDP, UNICEF and WHO for their "Hospital-on-Wheels" project.

Dr. Minnie is also a Principal Assessor with National Accreditation Board for Hospital & Healthcare Providers (NABH), Internal Auditor Joint Commission International (JCI), Internationally recognized auditor for ISO 9001 & 14001 and additionally she has a Master Black Belt in Six Sigma. She has also participated and completed the 2021 session of Strategy for Health Care Delivery with Harvard Business School and achieved a Certificate for Sustainable Business Strategy from Harvard Business School Online.

She has also achieved recognition certificate for Global Women on Boards by Lead Women, Paris 2023 and Women on Boards program by Harvard T. H. Chan School of Public Health, Boston 2022.
