Numbers in bold indicate ranks of respective parameters; three-year growth is compounded annual growth rate (CAGR); values in each parameter are rounded off up to two decimals; *NPA coverage ratio of 100% represents that the banks do not have any NPAs; NPA: Non-performing assets; CASA: Current account and savings account; CAR: Capital adequacy ratio; ROCE: Return on capital employed; NIM: Net interest margin; LCR: Liquidity coverage ratio; Mizuho Bank is a new entrant; for an explanation of parameters and how the total score was arrived at, see 'Picking the Winners', page 106
