

➤ ONE OF INDIA'S LEADING
MINING COMPANIES SEEKS

PROJECT DIRECTOR

FOR A GLOBALLY HIGH RANKED
COPPER MINE WITH ZINC AND LEAD

LIFETIME ASSET VALUE : US\$ 3B

Gujarat Mineral Development Corporation Ltd. (GMDC) is a leading public sector company of Gujarat. As a part of its diversification strategy, the company aims to bring its metals portfolio on par with its fossil fuel business. To meet this objective, it plans

to operationalize its copper asset spread over 184 HA area and estimated to be worth USD 3 Billion. GMDC is actively seeking a global technical expert to successfully lead end-to-end execution of the copper mining project.
