

The Heart of India – Madhya Pradesh Wins Hearts of Investors

Madhya Pradesh, led by Chief Minister, Dr Mohan Yadav has shown and achieved many milestones in a little span of one year. His focus of on Job Creation through Investments. The Year 2025 therefore will be observed as 'Year of Industry and Employment'. The Global Investors' Summit (GIS) in February 2025, after a series of Regional Industries Conclaves will make a new beginning.

Madhya Pradesh is marching at pace to grow economically and vigorously participate in India's economic journey to become five Trillion dollar economy. Madhya Pradesh has created world class infrastructure to attract industries offering them lucrative investment-friendly policies. For equitable economic development, Dr. Mohan Yadav started a series of Regional Industries Conclave (RICs) starting from Ujjain. His vision is that every region offers unique growth opportunities for specific industries. Investments must be shared equitably according to growth potential. Good governance practices have won the hearts of investors due to which they have made Madhya Pradesh a State with greater ease of doing business. The Government and the Business Community together have built a strong mutual trust. Encouraged by the Chief Minister Dr. Mohan Yadav's commitment to promoting industries for inclusive development, a large number of major industrial houses and more particularly MSMEs are coming up to have a meaningful partnership with the State Government." for which Chief Minister Dr Yadav, is on a tour to the UK and Germany till 30th November. After successful Regional Industries Conclaves at Ujjain, Jabalpur, Gwalior, Sagar and Rewa and holding roadshows at Mumbai, Hyderabad, Coimbatore, Bengaluru, the Chief Minister Dr. Mohan Yadav sought investments from United Kingdom and Germany. Impressed by the State's policies in various sectors helped Madhya Pradesh got investment proposals worth Rs. 78,000 crore in healthcare, mining, IT, service sector and agriculture.

The RICs – Bringing A Change

The Madhya Pradesh Government is leveraging industry sectors to ensure equitable growth by organising Regional Industries Conclaves (RICs) at Ujjain, Jabalpur, Gwalior, Sagar and Rewa. The RIC were held at Jabalpur, which bagged investment proposals worth more than Rs 1 lakh 22 thousand crore, which will create employment for more than 13,000 people. RIC Gwalior received investment proposals to the tune of Rs 8,000 crore that would generate more than 35,000 jobs. The Sagar RIC got proposals worth Rs 23,000 crore and Rewa Rs 31,000 crore promising to create over 27,000 and 28,000 jobs respectively.

Attracting Industries

Committed to accelerate industrial growth in the state, the Madhya Pradesh government earmarked a sizeable budget of Rs 4,190 crore for fiscal 2024-25 for the industry sector. Going all-out to attract investment to the state, the Dr Yadav led state government organised interactive sessions this year in major cities like Mumbai, Coimbatore, Bengaluru and Kolkata. While the buzz for 'Vocal for Local' was created through the purchase and sale of handicrafts and handloom products in the trade fair,

यूके और जर्मनी का दौरा, बौद्धिक संपन्न युवाओं के लिए एक बेहतर अवसर लेकर आ रहा है।

हमारा उद्देश्य है कि प्रदेश के सभी तकनीकी संस्थानों में यहां की उच्च तकनीक का उपयोग हो और इन्वेस्टर्स को भी बेहतर उपलब्धि मिले।

- डॉ. मोहन यादव, मुख्यमंत्री

and 50% discount was given on RTO registration of vehicles in Ujjaini Vikram Trade Fair and Gwalior Trade Fair-2024. The state government also approved the proposal to keep malls, restaurants, main markets and business centres open 24 hours in municipal corporations and industrial areas to support the business community. In order to facilitate and guide prospective investors, Investment Facilitation Centers are being set up at every district.
