Welcome to Bavaria, Germany

Home of cross-industry innovation.

Bavaria is one of the most successful and multifaceted manufacturing locations in Europe, bringing together international Tech companies. It's also home to strong non-Industrial sectors such as financial services, logistics and healthcare.

This diversity creates unique cross-industry business opportunities. In this unique ecosystem, cross-industry innovation, notably driven by digitization, is thriving. Thanks to new and unexpected partnerships with players outside the industry, many exciting ideas and business models are evolving.

Discover the benefits of joining our ecosystem and expanding your business to Bavaria. We can help you get your business started: from arranging contacts to identifying the perfect location for your company.
